- 1.1 Type: Weighbridge should be electronic pitless type :- EWEIGH 150T
- 1.2 Capacity- 150 Tonnes
- 1.3 Platform size-16 mtr X 5.75mtr
- 1.4 Ambient Temp -System should be capable of working upto 50 Deg.C.
- 1.5 Increment - Maximum upto 20 Kg.
- 1.6 Accuracy :- +/- 0.05%
- 1.7 Humidity- 0 to 98 %

### 2.0 SCOPE OF SUPPLY: 12 no.s of sets Each set consists of following items

- 2.1 Weigh Platform / structural of 16 mtr X 5.75mtr -1 set
  - 2.2 Load cells 56.5 T capacity/or more -8Nos (Zemic Make, BM14K Model 60T capacity IP68 rating)
  - 2.3 Digitizer-1 no. (Model EWB of Own Make)
  - 2.4 Computer, Monitor & Keyboard - 1 set
  - 2.5 Printer - 2 Nos
  - 2.6 Junction Boxes - As per requirement of the system.
  - 2.7 System Software -As per requirement of consignee.
  - 2.8 Cables with G.I. - As per actual requirement of the system.
  - 2.9 Un-interrupted power supply unit with maintenance , free batteries -One set
  - 2.10 C.V.T - One set
  - 2.11 Transient voltage surge suppressor -One set
  - 2.12 Jumbo Display Panel - One set
  - 2.13 Air conditioner with 20 litres water tank - One set
  - 2.14 Stabilizer for AC - One No.
  - 2.15 Furniture (Branded) Steel Table – 2 nos -One set
- Operator chair revolving type – 1 no:  
Steel chairs – 2 nos
- 2.16 Lighting Mast
  - 2.17 All civil and structural work
  - 2.18 Erection and commissioning of weighbridge On turn-key basis
  - 2.19 Comprehensive Annual maintenance contract for 1st year after warranty period.
  - 2.20 Comprehensive Annual maintenance contract for 2nd year after warranty period.

**NOTE:-**All items under scope of supply are mandatory irrespective of the requirement of individual system. In-built items are not acceptable otherwise specified.

### 3.0 STRUCTURAL:-

- 3.1 Outside structure and equipment are required to work in extremely dusty & humid atmosphere.
  - 3.2 It should be sturdy and robust.
  - 3.3 Size of platform structure for 150 T capacity: 16 mtr X 5.75mtr
  - 3.4 Weight of platform structure for 150 T capacity: 33Tonnes
  - 3.5 Platform should be cold rolled steel structure and should be anti skid. Thickness of platform should not be less than 16mm.
  - 3.6 Complete structural material should be coated with anti-corrosive paint.
  - 3.7 Structure shall be designed as per prevailing BIS standard.
  - 3.8 Material of Construction of Components: The make of steel for the platform and other structures should be limited to primary steel manufacturer -SAIL
- Main beams –Fabricated Minimum 800 mm

Cross beams – Vertical – Minimum 450 mm  
Horizontal – Minimum 350 mm

Material - Mild steel

As per IS: 2062 as amended on date of Transverse Beams: make, of SAIL

3.9 Load cells:-

- (i) Double ended shear beam type/compression type without cup and ball
- (ii) Indigenous / Imported. It shall be hermetically sealed as per IP:68 (Test Certificate to be enclosed at the time of supply).
- (iii) Load cell should have in built lightning protection.
- (iv) The minimum capacity of each Load cell must be 56.4 Tons.

#### 4.0 ELECTRONICS:-

##### 4.1 Weigh Indicator

- i. Processor based. Intelligent weight indicator.
- i. It shall indicate weight recorded.
- ii. Auto Zero tracking.
- iii. Initial auto self test and self diagnostic facility for trouble shooting.
- iv. Capacity to have data of 600 trucks (600 empty & 600 loaded totaling 1200 transactions)
- v. It should give summary report for past 24 hours / 3 shifts.
- vi. Digitizer to have direct communication with PC and in case of B/down of PC, Digitizer should have provision of direct communication to printer for issue of print outs.
- vii. Workability in dusty environment of coal mines.
- viii. Print out should give date in, date out, time in, time out, Sr. No., Supplier's Logo. Vehicle No, Material code, Name of Party / Consumer, Challan No., Challan date, Gross Weight, tare Weight and Net weight as per annexure AA and CC.
- ix. Transparent enclosure to protect against dust.

##### 4.2 PC: PC with Monitor having following specifications:

intel core i5 processor having window 7 O.S or higher., Minimum speed 2.93 Ghz, 4 GB RAM, L3 cache 4 MB or higher, DDR3 1066/1333 Mhz and 1TBHDD with 10/100 MBPS ethernet card and 4 USB ports or higher with Multimedia Key Board, mouse with pad, make. DELL

##### 4.3 Printer : Rugged Dot Matrix Printer of 132 columns 300 Cps and 24 PIN of TVSE make:

##### 4.4 Jumbo Display panel- Digit size 50 mm.

##### 4.5 ELECTRONIC SYSTEMS:-

##### 4.5.1 System shall be plug in type.

4.5.2 It shall be provided with diagnostic card for checking of information without having a test run of truck over the weighbridge.

##### 4.6 AUTO CALIBRATION:

4.6.1 Automatic method of calibration and capacity to compensate changes due to minor structural changes shall be incorporated as per Legal metrology department (Weights & Measure dept).

##### 4.7 SYSTEM CALIBRATION:

4.7.1 Simple and less time-consuming calibration arrangement to be provided as per Legal metrology department (Weights & Measure dept).

##### 4.8 ACCURACY:

4.8.1 Accuracy shall be within the limits acceptable to Legal metrology department (Weights & Measure dept).

#### 5.0 CIVIL WORKS AND FURNITURE:

5.1 a) Properly designed R.C.C ramps on both sides of the platform of gradient 1: 16 (minimum) with retaining wall on side to be provided. Accordingly ramp length should be a minimum 16mtrs.

b) All the civil foundation work desired for the erection of platform including columns of suitable dimensions. The details drawing of the civil foundation work to be submitted.

c) Furniture (Branded): 2 nos steel table with sunmica top of 4' to 4'6" x 2'6" to 3', 1 no. operator chair revolving type, 2 nos steel chairs.

(d) A cow catcher must be installed at the approach side of ramp for arresting the maximum amount of dust.

(d) The height of lower bottom of platform (i.e. from the lower bottom of 16mm top plate) from ground level should be minimum one meter if otherwise not lowered by the area due to space constraint.

**INFORMATION:-**

The load bearing capacity of the soil where the weighbridges are to be installed is not less than 5 Tonnes per Sq. Meter for weigh rooms and foundations.

**6.0 POWER SUPPLY AND PROTECTION:**

6.1 UPS:- Numeric Make

(a) 1 KVA UPS with inbuilt spike suppressor.

(a) ON LINE type.

(b) Able to work on input voltage of 170V to 300 V AC.

(c) Output voltage as per equipment's requirement - To be specified.

(d) Maintenance free battery for 8 hours back-up.

(e) Auto cut off when input voltage exceeds permissible limits.

6.2 CONSTANT VOLTAGE TRANSFORMER:

a) (Same as UPS rating.) of 2 KVA.

b) Able to work on input voltage of 170V - 300 V AC.

c) Output voltage as per equipment's requirements.

6.3 Transient voltage surge suppressor of 1 KVA capacity.

6.4 AIR CONDITIONER:

a) 1.5 Tonne AC of VOLTAS make

b) 4 KVA voltage stabilizer.

c) Water tank for AC to be provided irrespective of whether required or not.

6.5 Proper earthing for cabin equipment's to be done with 2nos. dedicated interconnected earth pits.

6.6 Lightning arrester to be provided for protection of complete installation. Isolation of equipment from Mains from induced voltage due to lightning with earth pit.

**7 INSTALATION & COMMISSIONING:-**

7.1 Erection & commissioning of weighbridge on turn-key basis. The supplier has to provide any other items required for turn-key commercial operation.

7.2 Stamping by weights & Measure deptt. (Legal Metrological Dept.) will be supplier's responsibility. The statutory fees will be borne by WCL. The Test weights will be provided by WCL.

7.3 Handing over / taking over will be done, only after 14 days of satisfactory trial run.

**8.0 MAINTENANCE:-**

8.1 Terms and conditions for comprehensive maintenance contract is indicated for undertaking maintenance / repairs for a period of 2 years after warranty period in Annexure-X. The AMC will be executed after warranty and renewed annually. Value of the rates for the above 2 years will be loaded to the cost of equipment for tender evaluation. The AMC rate is to be quoted with applicable taxes if any. in price bid along with cost of equipment.

1. Service Assurance Plan:

(Please refer comprehensive AMC conditions enclosed in Annex.-X).

a) Location of Service centre.

b) No. of Service Engineer posted.

c) No. of Service Technicians posted.

d) Telephone and other communication facilities like E-mail.

e) Spares availability.

f) Any other facility available.

- g) No. of AMC entered with different parties from the indicated service centre.
- h) Assured time to attend weighbridge after receipt of call notice, in hours.

#### 9.0 WEIGHMENT SOFTWARE:

- 9.1 The weighment software shall be tamper proof and user friendly with proper protection through passwords. The data of weighment shall be in such form that the data cannot be viewed / or deleted. Once the weighment is taken there should not be any provision to modify the data.
- 9.2 No calibration shall be done from the PC and any calibration required to be done shall be done at weighment system level with necessary security passwords. All calibrations are recorded in the system for monitoring purpose.
- 9.3 The Road Sales related information data capture module is to be incorporated wherein the release order information like consumer code, name, release order No., date, grade, size, unit quantity are entered into the computer either directly or through floppy. While performing the weighment, system shall calculate the balance quantity to be lifted against a particular release order and reports shall be generated for MIS purpose. Weighment software shall be capable of handling this aspect. In this aspect also security and data protection shall be taken care of for making it full proof.
- 9.4 Weighment software shall be capable of disabling for new data entry and print outs once the weighment is completed. Once the truck is taken out from the weighment platform and display shows "Zero", the software shall allow for fresh transaction.
- 9.5 Road weighment software for generation of Gate Pass / challan as per format enclosed as annexure 'AA'.
- 9.6 Program for computation of GST Challan should be parameterized and all the changeable data fields should be stored in data table(file)/control table(file) e.g. in case of change in GST rate, education cess or higher education cess in future, there should be provision for changing the data without modifying the program.
- 9.7 All the Header information (e.g. weighbridge name, code, CE registration number of area etc.) should also be stored in data format so that same program can be run in any of the weighbridges across WCL.
- 9.8 In addition to GST challan, all the existing reports showing additional details of GST information should be there as appended in Annexure 'BB'.
- 9.9 Day wise/DO wise checklist generation for DO data should be provided for physical verification before system validation. There should be provision for system validation based upon Supervisor password/authentication for each DO before dispatch begins for that particular DO.
- 9.10 In case of any modification in DO master data, there should be two level access control/ authentication before changes are made.
- 9.11 In case, more than one no. Of print-outs of gate pass /challan is taken, it should be permitted only with proper authentication/password and such dispatches record should be flagged with no. of print-outs.
- 9.12 There should be provision for data transfer (in fixed format ASCII file) to Area office in regular periodicity for centralized processing in decrypted format.
- 9.13 In case of internal transports to siding/ stockyard, Normal format of gate pass should have a heading in bold; "FOR INTERNAL TRANSPORT". Gate pass in challan format as per Annex 'AA' is not required.
- 9.14 The weighment software should be compatible with the operating system of weighbridge computer.
- 9.15 Proper anti-virus software should be installed. Regular signature updates (once in a month) should be carried out to avoid the possibility of machine crashes and erratic behavior.
- 9.16 Gate Pass / challan for washery dispatches should be generated as per format enclosed as Annexure "CC".
- 9.17 Any changes desired from time to time in the software have to be carried out by supplier free of cost during warranty / 2 years of AMC.

**10 MISCELLANEOUS**

10.1 Training in operation and maintenance will be provided free of cost at sites.

10.2 Mechanical drawing and detailed civil foundation drawing of the platform structure to be submitted along with the offer.

10.3 Equipments should be able to work satisfactorily even when AC fails.

10.4 Operation and maintenance manuals in duplicate will be supplied along with the equipment.

**11.0 GUARANTEE** - Vendor shall give composite guarantee/warranty of satisfactory performance of the complete equipment (including accessories) for 12 months from the date of commissioning.

**TERMS AND CONDITIONS FOR ANNUAL MAINTENANCE OF ELECTRONIC ROAD WEIGHBRIDGES.**

**a. JOB DESCRIPTION:-**

The Annual Maintenance Contract(AMC) involves checking, repairs, servicing, maintenance of road weighbridges including replacement of defective parts, as and when required so that the weighbridge is constantly kept in perfect working order for weighing of empty / loaded trucks /tippers from the mines. Payment to the maintenance contractor will be regulated on the basis of actual availability along with printout of the weighbridge on month to month basis.

The job includes repair and replacement of all parts, which among other things would also include the following:

- a) Load cells.
- b) Digitizer
- c) Electronic items including PC's and printers supplied with instrumentation (digitizer)
- d) Knife-edges, bearings, links, strut buttons, top and bottom, load buttons, locating, plugs, bumper stoppers etc.
- e) All consumable items such as print heads, disk drives, ribbons.

1. It will be the responsibility of the maintenance contractor to procure and maintain adequate stock of spares at convenient points so that there is least delay in replacement of the spares as and when required. The cost of spares will be borne by the maintenance contractor.

However, all cast iron & structural items like girders, MS plates, C.I. levers, Verges, Transoms, Blocks for Bearings, compensating steel yards, locking handles, etc. shall be excluded from this contract.

2. The maintenance of the PC, Printers, UPS and batteries including checking of water level, specific gravity of electrolyte shall be the responsibility of the maintenance contractor.

If any sub assembly / accessories, like UPS, AC, CVT etc. not affecting the working of WBs directly, continued to remain unattended by AMC holder, Colliery Management will give two reminders at an interval of 7 days to the AMC holder and in case the breakdowns are not attended in next 7 days time, WCL management will be free for getting it repaired from outside agencies at the risk and cost of the contractor and amount incurred for carrying out repairs will be recovered from the contractor's current AMC bill.

It will be the responsibility of the Area to arrange independent supply of electricity to the weighbridge house from transformer / main electric line so that there is least voltage fluctuation due to variation in other electrical loads.

3. The maintenance contractor shall deploy adequate trained technical staff and post them at convenient places so that they are able to make adequate visits to the weighbridges for preventive maintenance, checking and keeping the weighbridges in constant working order.

However, the colliery management, as far as practicable, will provide accommodation to the staff posted by the maintenance contractor. The weighbridges will be operated by staff, who will be specially deputed by the Area.

*BN*

*MA*

4. The maintenance contractor shall prepare the weighbridge for stamping / verifications by the Weights and Measures department once in a year or as per statutory requirement. It will be the responsibility of the contractor to get the weighbridge certified by the Weights and Measures department as and when required. However, the "Fees / Charges" required to be paid for such verification / certification shall be paid by the concerned Area. The colliery authorities shall provide the test weights required by the state Weights and Measures department. The test weights provided by the colliery management can be used by the maintenance contractor for calibration or testing of the weighbridges free of charges.

5. The old spare parts; replaced by new ones by maintenance contractor during repairing shall be the property of the maintenance contractor.

6. Monthly billing represents the AMC rate per month as per availability with print out as per formula.

7. Formula for % age availability.

$$\% \text{ age availability} = \frac{\text{A} - (\text{Break down hours} - \text{Hrs. lost due to delay in giving B/down information})}{\text{A}} \times 100$$

Where A = No. of days in a month x 24 Hrs.

8. Terms and Conditions for payment

a) The payment of the maintenance contractor shall be as per the percentage availability of that WB in that month. The amount billed should be based on the percentage of availability of that weighbridge with printout system. While raising the bill, the party shall furnish the following information on the body of the bill.

(a) Name of the Area;

(a) Name of the Colliery;

(b) Name of the Site of Weighbridge;

(c) Percentage availability of Weighbridge with printout system.

(d) Any other information asked by WCL & its Areas.

Bills on monthly basis shall be certified for payment by the Sub Area Manager or his nominated executive and shall be submitted to the Area General Manager/Staff Officer (Sales/QC) or any other executive so authorized by the Area General Manager.

b) On satisfactory performance of the party, 90% payment of the monthly bill will be released by Area General Manager/Staff Officer (Sales/QC) or any other authorized Executive by Area General Manager within 10 days on receipt of the bills. The balance amount will be paid within 30 days after further verification and subject to the terms and conditions which may call for deduction/ adjustment.

c) The method of billing and procedure of payment shall be regulated by area during the tenure of the contract.

d) The contractor shall ensure a minimum of 95% availability of the road WB with printer for entitlement of 100% AMC payment in a particular month.

e) A penalty of 2% of the bill amount of that particular month will be imposed for each 1% decrease from a minimum level of 95% availability.

f) Also if the %age availability of the Road WB, in a particular month is less than 80%, the contractor will not be entitled for any payment whatsoever irrespective of the %age availability in that month.

9. Any repair/replacement necessitated due to lightening is covered under the scope of AMC.

10. The successful tenderer has to deposit an amount equal to 10% of the annualized value of maintenance work with respective areas of WCL in the form acceptable to areas. The security deposit has to be deposited before expiry of warranty period. No interest shall be paid on security deposit.

11. The performance of the firm in the period of maintenance contract shall be evaluated during scrutiny in the subsequent tenders.

## 2. Application

These Conditions shall apply to the extent that they are not superseded by provisions in other parts of the Contract.

## 3. Standards

The Goods supplied under this Contract shall conform to the standards mentioned in the Technical Specifications. Such standards shall be the latest issued by the concerned institution.

## 4. Use of Contract Documents and Information

4.1. The Supplier shall not, without the Purchaser's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the Purchaser in connection therewith, to any person other than a person employed by the Supplier in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

4.2. The Supplier shall not, without the Purchaser's prior written consent, make use of any document or information enumerated in sub-clause 4.1 above, except for purposes of performing the Contract.

4.3. Any document, other than the Contract itself, enumerated in sub-clause 4.1 above shall remain the property of the Purchaser and shall be returned (in all copies) to the Purchaser on completion of the Supplier's performance under the Contract if so required by the Purchaser.

## 5. Patent Rights

The Supplier shall indemnify the Purchaser against all third-party claims of infringement of patent, trademark or industrial design rights arising from use of the Goods or any part thereof in the Purchaser's country.

## 6. Security Deposit

6.1. The successful tenderers will have to submit Security Deposit for the 10% value of the total landed value of the contract including all taxes, duties and other costs and charges, without considering Input Tax Credit.

6.2. The Security Deposit shall be in the form of a Bank Demand Draft or in the form of a Bank Guarantee in the prescribed format from a RBI Scheduled Bank in purchaser's country (on a non-judicial stamp paper) within 15 days from date of notification of award or placement of order.

6.3. The Security Deposit shall be in the same currency(ies) in which contract is to be signed/ issued. In case of multi-currency contract, separate Security Deposit Bank Guarantee (SDBG) in respective currency for required value as above shall be submitted.

6.4. In case of equipment, SDBG shall not be individual equipment wise. However, multiple Bank Guarantees for Security Deposit shall be permissible provided value of all the SDBGs totals to 10% of the contract value, and all are submitted simultaneously within the specified time schedule and all of them are in the same prescribed format of SDBG without linking to any particular equipment.

6.5. The SDBG shall remain valid up to 3 months after completion of supplies and acceptance of materials by the consignee in case of supply contracts and in case of contracts for equipment involving installation and commissioning, 3 months after the supply and commissioning of all the equipment covered in the contract.

6.6. If the successful tenderer fails to deposit the security deposit within 15 (fifteen) days from date of notification of award/ placement of order, another opportunity may be given to them for submission of Security Deposit within next 15 days. If the successful tenderer still fails to deposit the security deposit within the extended period but executes the supplies within scheduled delivery period, the submission of Security Deposit may be waived, as the purpose of submission of SD is fulfilled.

If the Supplier fails to deposit the SD within the extended period and no supplies are made, the order shall be cancelled and the case shall be processed to order elsewhere at firm's risk and cost. Moreover, the firm's performance is to be kept recorded for future dealings with them. Further, if during execution of the contract, the firm fails to extend the Bank Guarantee for Security Deposit, suitably as required, the same shall be recorded as unsatisfactory performance for future dealings apart from taking any other penal action as may be deemed fit by CIL.

6.7. In cases where the successful tenderer did not submit the security deposit even within the extended period for SD submission but has supplied the materials either in full or in part after the extended period for SD submission, the SD may be deducted from the first bill or in case of insufficient amount from subsequent bill(s) of the supplier till the full SD amount is deducted. Further, a penalty equivalent to 0.5% (half percent) of SD amount for delay of each week or part thereof (period of delay is to be calculated from the 31st day from the date of notification of award/placement of order to the date of receipt of full SD/deduction of full SD) shall be levied subject to a maximum of 10% of the contract value.

6.8. Security Deposit will be released with the approval of HOD of MM Department/ Area GM within 30 days after completion of supplies and acceptance of material by the consignee in case of supply contractor after successful commissioning and on receipt of confirmation of Performance Bank Guarantee(s) for all the equipment covered in the contract in case of contracts for equipment and all those items/ goods involving installation and commissioning and PBG.

6.9. Security Deposit may be converted into Performance Bank Guarantee (PBG) wherever PBG is required at the option of the supplier. At the time of conversion of security money into PBG, it should be ensured that the amount of PBG should not be less than 10% of landed value of order. Wherever Security Deposit is converted into PBG, the operation of such SDBG/ Performance BG shall be guided by Performance Bank Guarantee Clause.

6.10. All Central/State Government Organization/PSUs shall be exempted from submission of Security Deposit. OEM/OES shall also be exempted from submission of Security Deposit in case of procurement of Spare Parts for equipment against Single Tender Enquiry/Open/Limited Tenders.

6.11. Submission of Security Deposit is exempted for the contracts having value upto Rs.2 lakhs.

6.12. The SDBG will be submitted Through Structured Financial Management System (SFMS).

#### 7. Performance Bank Guarantee

7.1. Wherever applicable, the successful bidder shall be required to furnish a Performance Guarantee equivalent to 10% value of the total landed value of the contract including all taxes, duties and other costs and charges, without considering Input Tax Credit.

7.2. The Performance Guarantee shall be in the form of a Bank Guarantee issued by a RBI scheduled bank in India in the prescribed format on a non-judicial stamp paper.

7.3. The Performance Bank Guarantee (PBG) shall be in the same currency (ies) in which contract has been signed. In case of multi-currency contract, separate PBG in respective currency for required value shall be submitted.

7.4. If the contract is for procurement of equipment, the PBG (s) may be submitted equipment wise also. For this purpose, the value of each equipment will be worked out by dividing the total value of contract for a particular item of NIT, worked out as per provisions contained in clause-7 above, by the number of equipment ordered for that particular item of the NIT.

7.5. The PBG (s) shall remain valid till 3 months after the completion of warranty period.

7.6. The PBG shall be submitted sufficiently in advance (say 3-4 weeks) to enable its verification from the issuing bank, before submission of the invoice for 80% payment of the particular goods/equipment(s).

7.7. The release of the Performance Bank guarantee(s) after above indicated period, shall be subject to satisfactory performance of the equipment/ items during the warranty period and fulfillment of contractual obligations failing which, action for further extension or encashment of PBG, as deemed suitable shall be taken. The Performance Bank Guarantee shall be released after expiry of validity period if no claim is pending, with the approval of the concerned HOD (MM)/ Area GM.

7.8. In case of procurement of equipment, if the successful tenderer which does not have the After Sales Service Support facilities in India like Depot/ Warehouse for supply of spare parts, Workshop facilities for servicing and repair of assemblies, sub-assemblies and equipment, availability of trained technical manpower etc., training facilities for providing training to CIL's personnel, wherever required, additional Performance Bank Guarantee for the 30% value of the total landed value of the contract including all taxes, duties and other costs and charges shall have to be submitted. This 30% PBG will be released after establishment of After Sales Service Support facilities in India subject to confirmation of the same by concerned Head of Technical Department. However, the supplier shall have to submit PBG for 10% of the total contract value to be kept valid for the remaining period of the contract plus 3 months processing period before release of 30% PBG. This 10% PBG will be released after satisfactory performance of all equipment/ items and fulfillment of contractual obligations including warranty obligations.

7.9. The PBG will be submitted through Structured Financial Management System (SFMS).

## 8. Inspections and Tests

8.1. The Purchaser or its representative shall have the right to inspect and/or to test the Goods to confirm their conformity to the Contract Specifications at no extra cost to the Purchaser. Generally, the Goods shall be of the best quality and workmanship and comply with the contract or supply order in all respect. The Technical Specifications shall specify what inspections and tests the Purchaser requires and where they are to be conducted. The Purchaser shall notify the Supplier in writing, of the identity of the inspectors). The Purchaser reserves the right, at the Purchaser's cost, to depute its own inspectors) and/or to engage any other third party inspecting agency, to conduct inspections and tests pursuant to the Contract. Sufficient time, atleast 30 days in advance will be given for inspection.

8.2. The inspections and tests may be conducted on the premises of the Supplier, at point of delivery and/or at the Goods' final destination. If conducted on the premises of the Supplier, all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Purchaser. However, any drawing and proprietary information provided for this purpose shall remain in control of the supplier. The inspector shall have full and free access at the supplier's works for the purpose of carrying out inspection. The Inspector shall have the right to put all the stores or materials forming part of the same or any part thereof to such tests as he may think fit and proper. The supplier shall not be entitled to object, on any ground whatsoever, to the method of testing adopted by the Inspector. Unless otherwise provided for in the contract, all stores/materials expended in test will be to supplier's account. In the event of Goods found acceptable by the Inspector during inspection, he shall furnish the supplier with necessary copies of Inspection notes for attaching to the supplier's bill.

8.3. Should any inspected or tested Goods fail to conform to the Specifications, including acceptance tests and periodic tests to verify guaranteed performance, the Purchaser may reject the Goods, and the Supplier shall either replace the rejected Goods or make alterations necessary to meet Specification requirements free of cost to the Purchaser within thirty days of such rejection. Replaced or altered goods shall be subjected to repeated inspection or tests to demonstrate conformity with the Specifications. In the event that replacement or alteration is not done within thirty day period as aforesaid, or, replaced or altered goods fail to demonstrate conformity with the Specifications in repeated inspections or tests as aforesaid, the Purchaser reserves the right to terminate the Contract in part or in whole and the Supplier shall repay forthwith to the Purchaser all monies paid including all costs incurred in the inspection and tests, in respect of Goods and Services associated therewith, for which the termination is applicable and, subsequently remove the same from the Purchaser's Site at the Supplier's cost.

8.4. Any Goods rejected at a place other than the premises of the supplier, shall be removed by the supplier within 14 days of the date of receipt of intimation of such rejection. The Inspector may call upon the supplier to remove what he considers to be dangerous, infected or perishable Goods, within 48 hours of the receipt of such intimation. The rejected stores shall under all circumstances lie at the risk of the supplier from the moment of rejection and if such stores are not removed by the supplier within the above mentioned period, the Inspector/Purchaser may either return the same to the supplier at the supplier's risk and cost (a public tariff rate) by such mode of transport as the Purchaser or Inspector may select or dispose of such stores at the supplier's risk on his account and retain in such portion of the proceeds as may be necessary to cover any expense incurred in connection with such disposal. The purchaser shall also be entitled to recover handling and storage charges for the period during which the rejected stores are not removed.

8.5. The Purchaser's right to inspect, test and where necessary, reject the Goods after the Goods' arrival in the Purchaser's country shall in no way be limited or waived by reason of the Goods having previously been inspected, tested and passed by the Purchaser or its representative prior to the Goods' shipment from the Supplier's premises.

8.6. Nothing in this clause shall in any way relieve the Supplier of any warranty or other obligations under this Contract.

## 9. Packing and Marking

9.1. The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit.

9.2. All packing cases, containers, packing and other similar materials shall be supplied free by the Supplier and these shall not be returned unless otherwise specified in the Contract/Purchase order.

In case of successful bidder(s), if at the time of supply, it is found that Input Tax Credit as per Invoice (Credit available to CIL / Subsidiary on this account) is less than the "Input Tax Credit Amount" declared in the Price Bid, the differential amount between the two shall be deducted from the Supplier's bills while making payment to them. If the evaluation of the supplier has been made considering the concessional rate of customs duty applicable for import from certain countries under trade agreements / treaties with Govt, of India, all the required documentation for availing concessional customs duty and subsequent customs clearance etc. will be provided by the supplier failing which the equivalent deduction will be made from their bills.

15. Changes in Order

The Purchaser may at any time, by a written order given to the Supplier, make changes within the general scope of the Contract in any one or more of the following:

a) drawings, designs or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;

b) the method of shipment or packing;

c) the place of delivery; and/or

d) the place of Services to be provided by the Supplier.

16. Contract Amendments

Subject to relevant clause of GCC, no variation in or modification of the terms of the Contract/ Purchase Order shall be made except by written amendment issued against the Contract/ Purchase Order.

17. Assignment

The Supplier shall not assign, in whole or in part, its obligations to perform under this Contract, except with the Purchaser's prior written consent. However, the consent of the Purchaser shall not relieve the supplier from any obligation, duty or responsibility under the contract.

18. Subcontracts

The Supplier shall notify the Purchaser in writing of all subcontracts awarded by it to discharge the works under this Contract. Such notification, in the original bid or later, shall not relieve the Supplier of any liability or obligation under the Contract and the supplier will be solely responsible for all obligations under the contract.

19. Delays in the Supplier's Performance

19.1. Delivery of the Goods and performance of Services shall be made by the Supplier in accordance with the time schedule prescribed by the Purchaser in the Schedule of Requirements.

19.2. If at any time during performance of the Contract, the Supplier or its Subcontractor(s) should encounter conditions impeding timely delivery of the Goods and performance of Services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, with or without liquidated damages, by way of an amendment to the Contract/ Purchase Order.

19.3. Except as provided under Force Majeure clause, a delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to the imposition of liquidated damages, unless an extension of time is agreed upon pursuant to relevant clause without the application of liquidated damages.

## 20. Liquidated Damages

20.1. In the event of failure to deliver or dispatch the equipment/stores within the stipulated date/period in accordance with the terms and conditions and the specifications mentioned in the supply order and in the event of breach of any of the terms and conditions mentioned in the supply order, the Purchaser shall have the right:

- (a) To recover from the successful bidder as agreed liquidated damages, a sum not less than 0.5% (Half Percent) of the price of any equipment/ stores which the successful tenderer has not been able to supply as aforesaid for each week or part of a week during which the delivery of such stores may be in arrears limited to 10% (Ten Percent) of the total contract value, or
- (b) To purchase elsewhere after due notice to the successful tenderer on the account and at the risk of the defaulting supplier, the equipment/stores not supplied or others of similar description without cancelling the supply order in respect of the consignment not yet due for supply, or
- (c) To cancel the supply order or a portion thereof, and if so desired to purchase the equipment/ stores at the risk and cost of the defaulting supplier and also,
- (d) To extend the period of delivery with or without penalty as may be considered fit and proper. The penalty, if imposed, shall not be more than the agreed liquidated damages referred to in clause (a) above.
- (e) To forfeit the security deposit fully or in part.
- (f) Whenever under this contract any sum of money is recoverable from and payable by the supplier, the Purchaser shall be entitled to recover such sum by appropriating in part or in whole by deducting any sum or which at any time thereafter may become due to the successful tenderer in this or any other contract. Should this sum be not sufficient to recover the full amount recoverable, the successful tenderer shall pay the Purchaser on demand the remaining balance. The supplier shall not be entitled to any gain on any such purchase.

20.2. For the purpose of the calculation of the liquidated damages amount, the basic FOR Destination price shall be considered. For direct imports, the CIP price at Final Place of destination will be considered. Taxes and duties shall not be taken into account for calculation of LD. However, when prices indicated in the order are inclusive of taxes and duties, such prices will be taken for calculation of LD.

## 21. Termination for Default and breach of contract

21.1. The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate the Contract in whole or in part:

- (a) If the supplier fails to deliver any or all of the stores within the time period(s) specified in the contract, or any extension thereof granted by the Purchaser; or
- (b) If the supplier fails to perform any other obligation under the contract within the period specified in the contract or any extension thereof granted by the purchaser; or
- (c) If the Supplier, in the judgement of the Purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.

21.2. For the purpose of this Clause:

- (i) "corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
- (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Purchaser, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition.

21.3. In the event the Purchaser terminates the Contract in whole or in part, pursuant to relevant clause, the Purchaser may procure on such terms and in such manner as it deems appropriate, Goods or Services similar to those undelivered, and the Supplier shall be liable to the Purchaser for any excess costs for such similar Goods or Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

## 22. Force Majeure

22.1 Force Majeure means an event beyond the control of the supplier and not involving the supplier's fault or negligence and which is not foreseeable. Such events may include, but are not restricted to, acts of the purchaser either in its sovereign or contractual capacity, wars or revolutions, hostility, acts of public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts, freight embargoes and act of God.

22.2 If there is delay in performance or other failures by the supplier to perform its obligation under the contract due to an event of a Force Majeure and the contract is governed by Force Majeure Clause, the supplier shall not be held responsible for such delays/failures.

22.3 In such a situation, the supplier shall promptly notify the purchaser in writing of such conditions and the cause thereof, duly certified by the local Chamber of Commerce or Statutory authorities, the beginning and end of the causes of the delay, within twenty one days of occurrence and cessation of such Force Majeure Conditions. Unless otherwise directed by the purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as reasonably practical and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

22.4 If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of Force Majeure for a period exceeding sixty days, either party may at its option terminate the contract without any financial repercussion on either side.

22.5 For delays arising out of Force Majeure, the supplier will not claim extension in completion date for a period exceeding the period of delay attributable to the causes of Force Majeure.

22.6 There may be a Force Majeure situation affecting the purchaser also. In such a situation, the purchaser is to take up with the supplier on similar lines as above for further necessary action.

22.7 The contract shall be governed by the following Force Majeure Clause:

f. Bidder(s) / Contractor(s) who have signed the Integrity Pact shall not approach the Courts while representing the matter to IEMs and shall wait for their decision in the matter.

(2) The Bidder(s) / Contractor(s) will not instigate third person to commit offences outlined above or be an accessory to such offences.

Section 3 – Disqualification from tender process and exclusion from future contracts.

If the Bidder, before contract award, has committed a transgression through violation of Section 2 or in any other form such as to put his reliability or credibility as Bidder into question, the Principal is entitled to disqualify the Bidder from the tender process or to terminate the contract, if already signed for such reason.

Page-78

Tender No. WCL-Hq-pur-asn-ra-e141-2020-21

Supply of 150T Static Weighbridges

- (1) If the Bidder / Contractor / Supplier has committed a transgression through a violation of Section 2 such as to put his reliability or credibility into question, the Principal is also entitled to exclude the Bidder / Contractor / Supplier from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case. In particular the number of transgressions, the position of the transgressors within the company hierarchy of the Bidder and the amount of the damage. The exclusion will be imposed for a minimum of 6 months to maximum of 3 years.
- (2) A transgression is considered to have occurred if the Principal, after due consideration of available fact and evidences within his / her knowledge concludes that there is reasonable ground to suspect violation of any commitment listed under Section 2 ie. " Commitments of Bidder(s) / Contractor(s)
- (3) The bidder accepts and undertakes to respect and uphold the Principal's absolute right to resort to impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground, including the lack of any hearing before the decision to resort to such exclusion is taken. This undertaking is given freely and after obtaining independent legal advice.
- (4) If the bidder / contractor / supplier can prove that he has restored / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal may revoke the exclusion prematurely.

Section 4 – Compensation for Damages:

- (1) If the Principal has disqualified the Bidder(s) from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit / Bid Security.
- (2) If the Principal has terminated the contract according to Section 3 or if the Principal is entitled to terminate the contract according to Section 3, the principal shall be entitled to demand and recover from the contract liquidated damages of the contract value or the amount equivalent to performance Bank Guarantee.

Section 5 – Previous Transgression

- (1) The bidder declares that no previous transgression occurred in the last three years with any other company in any country conforming to the anti corruption approach or with any Public Sector Enterprise in India that could justify his exclusion from the tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as per the procedure mentioned in " Guidelines on Banning of business dealings".

Section 6 – Equal treatment of all Bidders / Contractors / Subcontractors

- (1) In case of Sub-Contracting, the Principal Contractor shall take the responsibility of the adoption of Integrity pact by the Sub-Contractor.
- (2) The Principal will enter into agreements with identical conditions as this one with all Bidders and Contractors
- (3) The Principal will disqualify from the tender process all bidders who do not sign this pact or violate its provisions.

Section 7 – Criminal Charges against violating Bidder(s) / Contractor(s) / Subcontractor(s)

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Sub Contractor or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor which

Tender No. WCL-Hq-pur-asn-ra-e141-2020-21

Supply of 150T Static Weighbridges

constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the same to the Chief Vigilance Officer.

Section 8 - Independent External Monitors

- (1) The Principal appoints competent and credible Independent External Monitor for this Pact after approval by Central Vigilance Commission. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement
- (2) The Monitor is not subject to instructions by the representatives of the parties and performs his / her functions neutrally and independently. The Monitor would have access to all Contract documents, whenever required. It will be obligatory for him / her to treat the information and documents of the Bidders / Contractors as confidential. He / She reports to the Chairman, Coal India / CMD, Subsidiary Companies.
- (3) The Bidder(s) / Contractor(s) accepts that the Monitor has the right to access without restriction to all project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his / her request and demonstration of a valid interest, unrestricted and unconditional access to their project documentation. The same is applicable to Sub-Contractors.
- (4) The Monitor is under contractual obligation to treat the information and documents of the Bidder(s) / Contractor(s) / Sub-Contractor(s) with confidentiality. The Monitor has also signed declarations on " Non- Disclosure of Confidential Information" and of " Absence of Conflict of Interest" . In case of any conflict of Interest arising at a later date, the IEM shall inform Chairman, Coal India Ltd / CMD Subsidiary Companies and recuse himself / herself from that case .
- (5) The Principal will provide the Monitor sufficient information above all meeting among parties related to the Project provided such meeting could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor, the option to participate in such meetings.
- (6) As soon as the Monitor notices or believes to notice a violation of this agreement he / she will so inform the management of the Principal and request the Management to discontinue or take corrective action or to take other relevant actions. The monitor can in this regard submit non binding recommendations. Beyond this, the monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
- (7) The Monitor will submit a written report to the Chairman, Coal India Limited / CMD Subsidiary Companies within 8 to 10 weeks from the date of reference or intimation to him by the Principal and should the occasion arise, submit proposals for correcting problematic situations.
- (8) If the Monitor has reported to the Chairman, Coal India Limited / CMD, Subsidiary Companies a substantiated suspicion of a offence under relevant IPC / PC Act and the Chairman, Coal India Limited / CMD, Subsidiary Companies has not, within the reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner.
- (9) The word 'Monitor' would include both singular and plural.

Section 9 – Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract and for all other Bidders 6 months after the contract has been awarded. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings.

Page-80
