NOTICE

Subject: Liquidation of Arrear rakes for FY 2019-20 and FY 2020-21

As of now, about 39 nos. of rakes pertaining to FY 2019-20 and 234 nos. of rakes pertaining to FY 2020-21 are pending in FOIS for movement to Non-Power linkage auction FSA consumers.

WCL & Railways are well in position to move the pending rakes to the consumers and the consumers have been persuaded regularly to facilitate the movement of these pending arrear rakes by making the requisite advance payments of coal value and by making freight arrangement with Railways. However, the response from the consumers has not been encouraging resulting in non-liquidation of arrear rakes of the previous years.

In view of the above, the Non-Power linkage auction FSA consumers having arrear rakes for the year FY 2019-20 & FY 2020-21 are hereby informed to take immediate measures for movement of the arrear rakes, by making timely payment of coal value, once their rake is due in seniority in FOIS. It may be noted that in case of failure of the consumer to facilitate movement of programmed rakes, the pending rakes shall be cancelled and the quantity against the cancelled rakes shall be deemed as DDQ under the FSA having implications on the computation of level of lifting and level of delivery.
